

Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., May 3, 1892, 189

The Superintendent, U. S. Mint,

Philadelphia, Pa.

Sir:

I am in receipt of communications from the officials in charge of the soldier's memorial monument to be dedicated on the 30th of May at Rochester, N. Y., asking the mint for contributions to the corner stone box. I have informed the officers in charge of this worthy memorial that the mint will furnish free of cost, bronze copies of certain medals struck in commemoration of distinguished services upon the part of our Generals and Admirals during the late war.

I will thank you to inform me what medals you think would be proper to send them.

Very respectfully,

Director.
